LIGHTING

2026 Thomas Lighting Catalog

Welcome to the 2026 Thomas Lighting catalog.

As you turn these pages, you are not just exploring our latest collection of residential lighting fixtures; you are experiencing the culmination of 100 years of dedicated industry expertise. Our legacy begins in 1919 when the original company was founded in Milwaukee, Wisconsin.

Thomas Lighting was sparked by the vision of our namesake, Lee Thomas, whose investment group purchased the company in 1948. Through decades of innovation and expansion, we have grown into a cornerstone of the lighting industry. Today, as a proud part of Atlas Lighting and Home, the Thomas brand is stronger than ever, seamlessly blending a century of heritage with modern, forward-thinking manufacturing capabilities.

As a commercial builder, we know your priorities are clear: crafted, reliable products that keep your projects on schedule and on budget. That is why this catalog is tailored specifically for you. We are deeply committed to providing:

- Quality: Exceptionally designed residential lighting built to endure.
- Pricing: High-end style and value that protects your bottom line.
- Inventory: A solid supply chain ensuring our products are in stock and ready to ship exactly when you need them.

Thank you for continuing to trust Thomas Lighting to illuminate your homes. We are honored to be the lighting partner for your builds, and we look forward to supporting your success with the same dedication that has defined the brand since 1919..
